www.uwharriepoint.org

Uwharrie Point Community Association is excited to announce the launch on **September 30th** of our entirely new public website: www.uwharriepoint.org. This state-of-the-art website is the core of our community promotions campaign focused on attracting people to inquire, explore, visit and ultimately consider Uwharrie Point as a place to live and invest.

As members, we all can take great pride in collectively promoting this amazing place far beyond just our circle of influence to those throughout the country. Having a world-class website that effectively engages the public is not only key for our future growth but financial stability as a community association.

Our immediate task at hand is to build our “web presence” which centers on the “number of visits” our website achieves both daily and accumulatively. For these reasons it is important that as UPCA members everyone supports making this public site www.uwharriepoint.org your primary access to our private site myuwharriepoint.org. Simply click on the link at the bottom of the home page in the right hand corner “UPCA Resident Login” to access our member-only site and conduct your day-to-day business (Calendar, Directory, Classified, Guest Scheduling, etc). You will also find a link directly to the ONSC site as well.

We look forward to an amazing journey ahead!

P.S. Watch for the addition of our Available Properties segment coming soon to this site.
